Memorandum of Understanding

Starting from the experience for more than 10 years, that the WUS Kosova has on Higher Education System in Kosovo and beyond, with special emphasis on:

- Delivering trainings on Bologna Process including: ECTS, curriculum development in accordance with Bologna Process, development of joint programs, accreditation process, development of self-evaluation reports, development of course syllabuses, development and implementation of new teaching methodologies.
- Extensive experience on development, accreditation and implementation of different, BA, MA and PhD programs. More specifically, implementation of more than 70 different courses, development and implementation of 8 masters programs as well as development and implementation of 3 PhD programs at the public HE institutions in Kosovo.
- Experience on development and accreditation of all programs at University of Prizren "Ukshin Hoti".
- Experience on development of Startup Centre at University of Prishtina.
- Experience on development new teaching methodologies based on eLearning.
- Experience on implementing internships and institutionalization and incorporation into the curriculum of the University of Prishtina.
- Network and 10 years tradition in cooperation with Arizona State University (ASU).

and

taking into the consideration the fact that Public University "Kadri Zeka" is newly established and has a need for support in project development as well as in the implementation stage of the projects,

herewith

The public University Kadri Zeka, represented by Prof. Dr. Arben Dërmaku, Acting Rector, in one side, and the World University Service (WUS) Kosova, represented by Prof. Dr. But Dedaj, Executive Director, in other side, reached the agreement on this "Memorandum of Understanding", for joint development of the project proposal with the title: **"Modernizing the curriculum through introducing the new teaching methodologies and technologies"**.

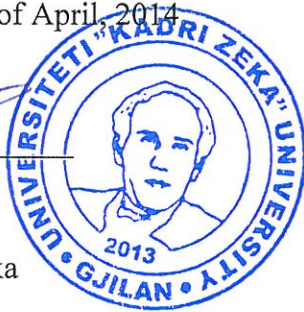

Additionally, in case that the project proposal will be supported by the donor, WUS Kosova will be responsible to transfer these experiences and on accurate implementation of the project, that will support on the implementation of the project activities.

The Memorandum of Understanding has 2 pages and enters into force immediately upon the signature by both representatives of these 2 institutions.

This MoU will be sign in two identical copies for each institution.

Place and date: Gjilan, 28th of April, 2014

Mr. Sc. Vaxhid Sadriu
Secretary General
Public University Kadri Zeka

Prof. Ass. Dr. But Dedaj
Executive Director
WUS Kosova
