
**INTERNATIONAL CONFERENCE ON NEW ACHIEVEMENTS IN SCIENCE,
TECHNOLOGY AND ARTS - ICNA-STA**

4th - 5th May 2023

University of Prishtina “Hasan Prishtina”

Prishtinë, Kosova

I. Introduction

Within the framework of the project “**Enhancing Research Culture in Higher Education in Kosovo (ResearchCult)**”, supported by Erasmus +, with funds from the European Union, the University of Prishtina “Hasan Prishtina” is organizing the “**International Conference on New Achievements in Science, Technology and Arts**” – ICNA-STA”. The conference is co-organized with a number of local and international universities and higher education institutions. It intends to bring together the international and Kosovan academic staff, researchers, students, businesses and other local and international stakeholders aiming to share their scientific experiences, best practices and steer up cooperation in related fields.

In addition, the conference attempts to create a friendly environment where multinational research community arrays from different fields can use interdisciplinary and innovative approaches to link the research with economic development. Through plenary sessions, oral and poster presentations, the participants will have the possibility to exchange opinions, introduce ideas and practical knowledge, which will be an opportunity, especially for young colleagues.

On behalf of the Organizing and Scientific Committees of the Conference, it is our great pleasure to invite all professors, researchers and scholars to attend the “**International Conference on New Achievements in Science, Technology and Arts**” – ICNA-STA”, which will take place from **4th – 5th May 2023**, in Prishtina, Kosova.

Format of the event:

The two-day event will consist of:

- plenary sessions
- thematic sessions
- poster presentations

The conference is anticipated **to be held through the physical presence.**

The language of the conference will be English.
