UKZAC-2023 – Science and Technology in the Promotion of Human Life

The International Annual Scientific Conference of the University “Kadri Zeka” *Science and Technology in the Promotion of Human Life* will take place from 01/02.06.2023, offering to participate with presentations of research results in one of the 5 sections of the conference:

1. **DiGiDay Conference**
2. **MathDay Conference**
3. **EduDay Conference**
4. **Economics Conference**
5. **Justice Conference**

Submission of abstracts to the conference sections takes place until 20.05.2022.

The two - day conference is a meeting place and platform for researchers, teacher educators and policy makers from region and all over the world.

It combines inspiring keynotes, a wide variety of papers on research and practice of different areas - informatics, mathematics, education, law and economics, and active working sessions in a stimulating and friendly atmosphere.

Programe
