Subject: Invitation to Partner for the 5th CIT International Conference

Honorable Prof. Dr. Artan Dërmaku,
Rector of "Kadri Zeka" University

Greetings from the Canadian Institute of Technology!

CIT is a leading institution in the higher education industry aiming for internationalization, education in technology and fostering closer relationships with other universities.

Last year CIT successfully held the 4th International Conference on Intelligence-based Transformations of Technology and Business Trends (ICITTBT) with participants from 28 countries.

At this moment we are preparing for our forthcoming 5th ICITTBT conference with the motto:

***AI & Digital Transformation:
Opportunities, Challenges, and Emerging Threats in Technology, Business, and Security***

which will be held on May 29-30, 2025, Tirana - Albania.

This event will bring together academics, researchers, and professionals to discuss the rapidly evolving landscape of artificial intelligence and its impact on technology and business.

Partnership on this kind of academic activities brings to all more success and collaborations for educational development. Saying that I would like to invite your esteemed university to be our **Partner University** in this great event.

I look forward to receiving a favorable reply from you!

With my best regards,

Prof. Dr. Ismail Kocayusufoğlu
Rector
